ABOUT BRIGHT BIRD

Ningbo Bright Bird Electronics Co., Ltd., established in 2007, has grown into a leading manufacturer of LED work lights, headlamps, camping lanterns, spotlights, night lights, and bicycle lights. Our motto is "Lighting Your Path, Empowering Your Adventure." With more than seventeen years of dedication and teamwork, we have built a strong foundation based on high-quality products and an excellent business reputation. Our company spans 5,600 square meters and employs a team of 200 talented individuals. We take pride in our "stylish and simple" design philosophy, which has helped us achieve certifications such as ISO9001:2015 and BSCI, ensuring an improved quality management system. Our products, known for their quality, innovative designs, and excellent service, are highly regarded across Europe and the Americas.

"Better design, careful creation, and outstanding service" is not just our business objective but the cornerstone of our company. We remain committed to continuous innovation and leadership in our industry, always striving to push boundaries and improve. We eagerly look forward to potential partnerships. We collaborate with top design firms both domestically and internationally to bring fashionable and innovative products to market, introducing at least ten new OEM items each year.

Our factory complies with BSCI and ISO9001:2015 standards, and our products meet various certifications such as CE EMC & LVD, RoHS, REACH for the EU market, UKCA for the UK, and Ca65 for North America, with waterproof and explosion-proof certifications for specialized products. With 32 injection machines, 17 production lines, and a production capacity of 2,000 units per day, we are well-equipped to handle customization needs. Our quality control (QC) department follows strict inspection protocols, including incoming material checks, in-process inspections, and final assessments, ensuring that every product meets our high standards before shipment.

We are committed to delivering high-quality products that meet the needs of our customers and exceed expectations. We look forward to building lasting relationships and exploring new opportunities for growth
