Quality Control

PROFESSIONAL AUTHORITY CERTIFICATION —SAFER AND MORE SECURE

PRANCE products have passed the certification of ISO9001 quality management system
PRANCE products are produced by all advanced technology equipments, through a
numerous standard testing

PRANCE

01

■ Established in 1996, Foshan Prance Decoration Material Co., Ltd. is a professional manufacturer of PVC panels. Our annual product capacity has reached 2500000 square meters. There are more than 10 professional technicians and 60 workers in our factory. All our production is strictly control and our products have passed TUV authentication.

PRANCE PVC products have the advantages of antimicrobial, heat insulating, heat proofing, noise insulating, energy saving, beautiful and easy repairing. They have been widely used for kinds of hotels, commercial buildings, hospitals, schools, cooking rooms, and washing rooms. Our products are exported to the Middle East, Japan, Korea, and South America.

■ Our factory produces 250,000sqm PVC panels per month and they can be used as ceilings or decorative wall panels. They have features of high intensity, corrosion-resistance, aging-resistance, fireproofing, waterproofing, antibiotic, health and environment friendly.

■ Insisting on our principle of “Quality Products, Excellent Service, Competitive Prices and Prompt Delivery”, we are now looking forward to greater cooperation with overseas customers based on mutual benefits. We welcome all our customers and co-workers to visit our factory or contact us for more details

Beauty is in the change of Pattern

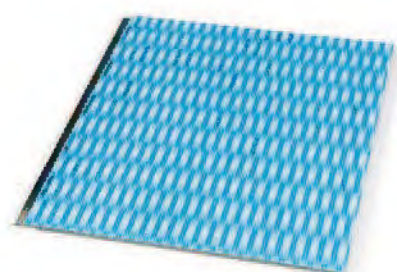

The verve and charms of each pattern, the brilliance and diversity of each color are so vividly presented. The mystery of dreams has become reality, and a colorful life is presented right front of your eyes.

A creek twines the vast green field just like the blue color satin ribbon, in a distant place there is a harmonious hut, what a beautiful scenery!
