Handmade Kitchen Sink

Innovative Design Changes Life

Kitchen Sink Series

Storage

Multifunctional and practical, it is used to store tableware, ingredients, cooking utensils, etc., to achieve different storage needs.

Design

Simple design, simple but with simple configuration, classified storage of ingredients and dishes, making everything in good order.

Material

Made of SUS304 stainless steel/quartz material, healthy and environmentally friendly, anti-corrosion and anti-oxidation.

Craft

Using CNC technology, hand-polished, the surface is smooth and flat.

Kitchen Storage Solution

Reject tediousness, embrace simplicity
Small size, big potential
Humanized design, health and comfort
The sense of luxury is not only in the product itself,
but also in the quality of life reflected in a healthy and comfortable state.

Handmade Kitchen Sink
