UNWXC-S20

- Input: 9V-2A
- Output: 5W / 7.5W / 10W / 15W
- Wireless charging operating frequency: 100-205Khz
- Product size: 56.4*5.5mm
- Wireless charging efficiency: 75%
- Overcurrent protection, Overvoltage protection
- Support Samsung 15W fast charge

BISCUIT Mini 2 (Qi2) with Kickstand

UNWXC-S30

- Input: 9V-2A
- Output: 5W / 7.5W / 10W / 15W
- Wireless charging operating frequency: 100-205Khz
- Product size: 59.5*8.6mm
- Wireless charging efficiency: 75%
- Overcurrent protection, Overvoltage protection
- Support Samsung 15W fast charge

TRAVEL PAD NANO

3 in 1 Magnetic Wireless Charging Station with Airtag Storage

- UNWXC-T01
- Input: Type-C PD 9V-3A Max
- Output: Mobile phone 15W, Earphone 5W, Watch 3W
- Product Size: 70*70*22mm
- Product Weight: 120g
- Transmission Distance: 1-4mm
- Material: Aluminum Alloy+High Alumina Glass+abs+pc

3 in 1 Magnetic Wireless Charging Station
UNWXC-T21

- Input: Type-C PD 9V-3A Max
- Output: Mobile phone 15W, Earphone 5W, Watch 3W
- Product Size: 70*70*22mm
- Product Weight: 120g
- Transmission Distance: 1-4mm
- Material: Aluminum Alloy+High Alumina Glass+ABS+PC

ICECALATOR

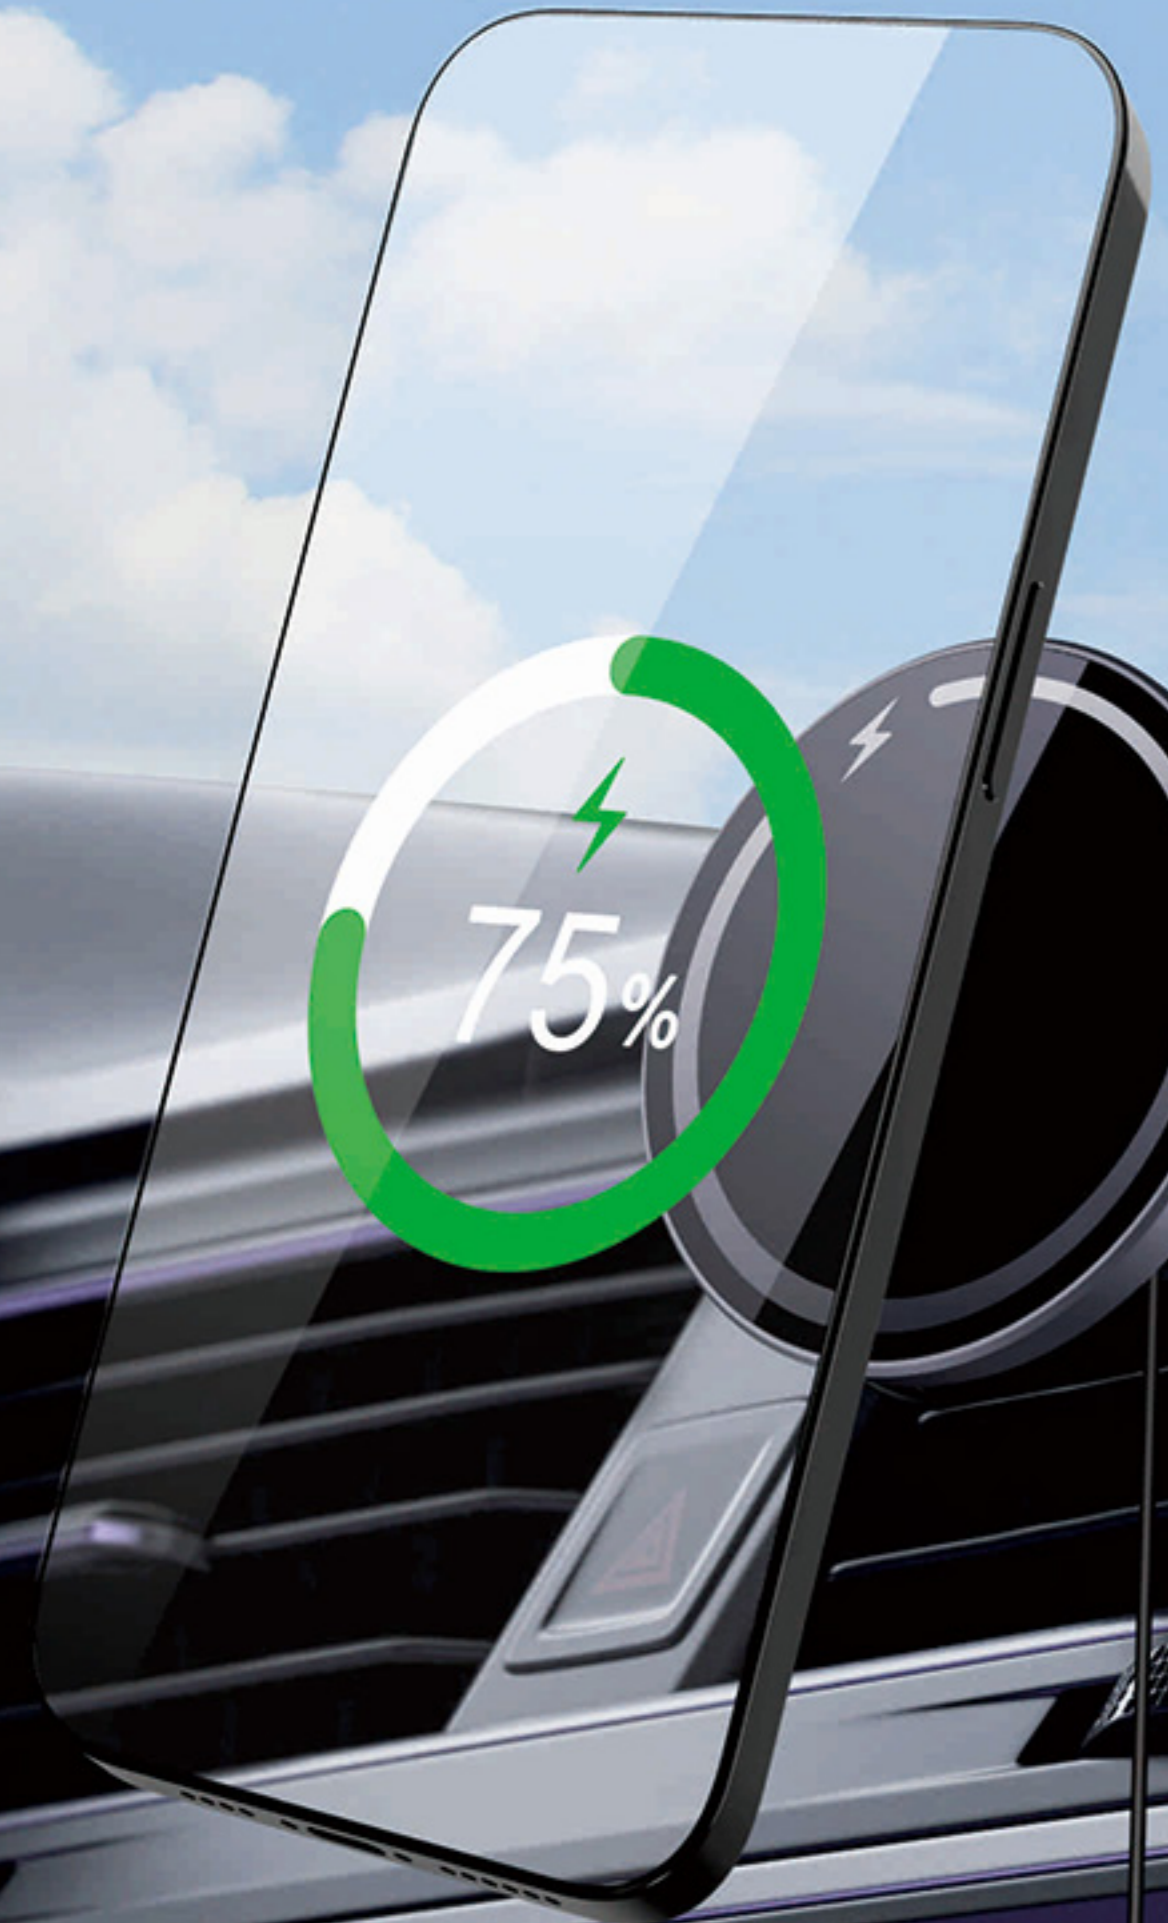

Wireless Charger with Phone Cooling Booster UNWXC-L01

- Input voltage: 9V-3A
- Wireless output: 5W-7.5W-10W-15W
- Working frequency: 110-205khz
- Maximum working current of heatsink: 5V/2A
- Maximum operating current of fan: 5V/0.15A
- Product size: 62*27.5mm
- Foreign object detection: Yes
- Working distance: 1-4mm

MAGNETIC WIRELESS CAR CHARGER

WIRELESS CHARGER

15W Magnetic Wireless Charger with Car Mount

UNWXC-C01

- Input: 9V-2A
- Efficiency: 78%
- Net weight: 68g
- Product size: 60*92mm
- Cable length: 0.8m
- Wireless output: 5W-7.5W-10W-15W
- Transmission distance: 2mm
- Material: ABS+PC+Stainless steel
- Working frequency: 100-205khz

Power switch

Type-C charging interface

Can Rotate 360°
