COMPANY INTRODUCTION

Uchampak is one of the few food packaging boxes manufacturers in the world that independently owns a full line of complete processes. We have 17 years of experience in food packaging. Current product technology R & D team is close to 20 people, with 20 invention patents, 60 utility model patents, and more than 100 product appearance patents, and has won the German Red Dot Award, IF Award, and many other national awards. Value product quality. In order to ensure that every product produced by Uchampak is stable and qualified We have invested in more than 20 special quality testing equipment to do 7*24 hours of continuous testing for printing, paper, adhesion, load-bearing tension, and other issues that users care about when using.
