Material Safety Data Sheet

Section 1. Identification of the chemical and supplier

Product Name: Metallographic Release Powder **Synonyms:**
commodity code: RE-P
(M)SDS Number: 2403EN
Relevant identified use(s): Polishing of metallographic specimens
Emergency telephone number: 13814829868（24h）
Name of the company: Trojan (Suzhou) Material Technology Co., Ltd
Address of the company: Building 26, No. 228 Gongtang Road Luzhi Town,Wuzhong District, Suzhou, China.
Post code: 215000 Fax number: 0512-67508229
Telephone number: 0512-67580617
E-mail address:sales@trojanchina.com

Section 2. Hazards identification

Hazard classification according to GHS:

Health danger

Skin corrosion/irritation	**Category 2**	**(H315)**
Severe eye injury/eye irritation	**Category 2**	**(H319)**

Hazard pictograms**:**

Signal word: Danger

Hazard statements:

H315 - Cause skin irritation

H319 - Causes severe eye irritation

Precautionary statements:

1. **Prevention:**

-Do not eat, drink or smoke when using this product.

-Wear protective gloves/protective clothing/eye protection/face protection.

2. **Response:**

- In case of fire: use suitable extinguishing equipment to extinguish the fire.
- If swallowing: rinse mouth, prompt vomiting, seek medical advice as soon as possible.
- In case of contact with eyes: open eyelids while standing, flush contaminated eyes with gentle water.
-If skin contacting: Remove and wash the contaminated area with soap.

3. **Storage:**

- Store in a well-ventilated place. Keep container tightly closed.

4. **Disposal:**

- Collect centrally and deal with in accordance with local regulations.

Section 3. Composition/information on ingredients

Name： De-agglomerated Alumina Polishing Powder			
Substances			
Chemical name	**EC No.**	**CAS No.**	**Weight-%**
Calcium stearate	216-472-8	1592-23-0	100

Section 4. First-aid measures

General advice: Immediate medical attention is required. Show this material safety data sheet (MSDS) to the doctor in attendance .

Description of necessary first-aid measures **If inhaled:** Remove to fresh air. **Following skin contact:** Wash skin with soap and water. In case of skin irritation or allergic reaction, seek medical attention. **Following eye contact:** Rinse with plenty of water for at least 15 minutes and lift upper and lower eyelids. Consult your doctor. **Following ingestion:** Rinse your mouth with water and drink plenty of it.
Most important symptoms/effects, acute and delayed: No apparent hazard.
Advice for protecting the rescuer: No special protection is required.
Special note to the doctor: Suit the remedy to the case.

Section 5. Firefighting measures

Suitable extinguishing media: Use fire extinguishing measures appropriate to local conditions and the surrounding environment.
Specific hazards arising from the substance or mixture: Thermal decomposition results in the release of irritating and toxic gases and vapors.
Special fire extinguishing procedure: N.A.
Special protective actions for fire-fighters: Firefighters should wear self-contained breathing apparatus and full fire fighting clothing and use personal protective equipment.

Section 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures: Ensure adequate ventilation.
Environmental precautions: Not to be discharged into the environment.
Methods and materials for containment and cleaning up **Methods for containment**: To prevent further leakage or spillage as far as is safe and practicable.

Methods for cleaning up: Mechanically picked up and placed in an appropriate container for disposal.

Section 7. Handling and storage

Precautions for handling **Safe operation instruction:** Ensure adequate ventilation. **General health precautions:** Operate in accordance with good industrial hygiene and safety practices.
Precautions for storage: Keep container tightly closed and in a dry and well ventilated place.
Operation cautions: Rinse thoroughly after operation. Avoid contact with skin and eyes. Suitable for industrial applications only.

Section 8. Exposure controls/personal protection

Engineering control: Maintain adequate ventilation. Do not smoke or eat or drink in the workplace. Wash hands thoroughly after handling. Maintain good housekeeping.
Control parameters - 8 hours daily average admissible concentration/short time average admissible concentration/maximum admissible concentration：N.A. - biological indicator：N.A.
Personal protection equipment - Respiratory protection: no special treatment is required under normal ventilation conditions. If exposure is unknown, or exceeds TLV/PEL, or adverse consequences have occurred, use an NIOSH approved vacuum mask in accordance with the actual health and safety regulations and manufacturing instructions. - Hand protection: Acrylic rubber impermeable gloves, polyethylene alcohol, oxidized elastomer. - Eye protection: wear safety goggles. Chemical protective goggles. - Skin and body protection: wear clean work clothes. Wear butyl rubber gloves, PVA gloves or PVA gloves. Environmental contact control: no information available
Hygiene measures: Observe correct safety rules in use. Do not smoke or eat during use. Container bottles should comply with all MSDS/ LABEL instructions after use of materials. Remove contaminated clothes as soon as possible after work. Wash them before wearing them or discarding them. Inform the laundry staff of the hazards of contaminants.

Section 9. Physical and chemical properties

Appearance: White powder	**Odor**: Odorlessness
Odor threshold: N.A.	**Melting point:** 148 ℃
pH: N.A.	**Initial boiling point and boiling range**: 359.4 ℃
Flammability: N.A.	**Flashpoint:** 162.4 ℃
Decomposition temperature: N.A.	**Test method:** Open Glass Close Glass
Spontaneous ignition temperature: N.A.	**Explosion limit:** N.A.
Vapor pressure: 1mmHg	**Vapor density :** Lighter than air

Relative density: 1.08 g/cm³	**Solubility:** Insoluble in water
Octanol /water partition coefficient: N.A.	**Volatilization rate:** non-volatile

Section 10. Stability and reactivity

Stability and reactivity	
Stable under normal conditions	
The explosion of data	N.A.
Sensitive to mechanical impact	N.A.
Sensitive to electrostatic discharge	N.A.
Possible hazardous reactions under special circumstances: It doesn't happen during normal processing	
Conditions to avoid: Unknown	
Prohibited content: Unknown	
Hazardous decomposition products: Not under normal service conditions.	

Section 11. Toxicological information

Exposure pathways: eye/ ingestion

Symptom:

Inhalation: Specific test data for this substance or mixture are not available.

Eye contact: Specific test data for this substance or mixture are not available.

Skin contact: Specific test data for this substance or mixture are not available.

Ingestion: Specific test data for this substance or mixture are not available.

Information on toxicological effects:

Symptoms: No information available.

Acute toxicity: /

Chronic or chronic toxicity:

Late and immediate effects and chronic effects from short - and long-term exposures:

Skin corrosion/irritation: no information available

Severe eye injury/eye irritation: no information available

Respiratory or skin sensitization: no information available

Germ cell mutagenesis: no information available

Carcinogenicity: No information available

Reproductive Toxicity: No information available

STOT - One Touch: No information available

STOT - Repeated Contact: No information available

Inhalation Hazard: No information available

Section 12. Ecological information

Ecotoxicity:/

Persistence and Degradability: /

Bioaccumulation: No information available.
Mobility in soil: No information available.
Other adverse effects: No information available.

Section 13. Disposal considerations

Waste treatment methods:	
Residues/waste from unused products	Dispose of waste in accordance with local regulations and environmental regulations.
Contaminated Packaging	No information available.

Section 14. Transport information

Special Name for Transport: Container bottles are not specified for <110 Gal.

International Transport Regulations: No special requirements.
UN Name: N.A.
Transport hazard class：N.A.
Packing group: N.A.
Marine pollutant: N.A.
Special transportation method and matters needing attention: No special requirements.

Others:

IMDG/IMO	Unregulated
UN number	N, Unregulated
Proper Shipping Name	Unregulated
Hazard Class	Unregulated
Packing Group	Unregulated
Marine Pollutant	N
Environment Hazards	N.A.
Special provisions	N.A.
Bulk transportation basis MARPOL 73/78	N.A.
RID	Unregulated
UN number	Unregulated
Proper Shipping Name	Unregulated
Hazard Class	Unregulated
Packing Group	Unregulated
Environment Hazards	N.A.
Special provisions	N.A.
ADR	Unregulated
UN number	Unregulated
Proper Shipping Name	Unregulated
Hazard Class	Unregulated

Packing Group	Unregulated
Environment Hazards	N.A.
Special provisions	N.A.
IATA	Unregulated
UN number	Unregulated
Proper Shipping Name	Unregulated
Hazard Class	Unregulated
Packing Group	Unregulated
Environment Hazards	N.A.
Special provisions	N.A.

Section 15. Regulatory information

Applicable regulations: China

Section 16. Others
