

## Removable Battery Series— EVE&REPT CELL

▲ This picture is for reference only, subject to the real thing !

Proven Performance: 50,000 units sold, has been updated and iterated for several generations, perfect product after market verification.

Flexible: Enable to move to everywhere by wheel.

Safety: Anti-topple.

Multiple Choice: A variety of energy ( from 4.8kwh to 14.336kwh ), sizes , design are available for selection.

### Removable Battery Series—TG—TH

MODEL	TH-51205-G	TH-51280-G
Nominal Voltage	51.2V(16series)	51.2V(16series)
Capacity(Ah)	205AH	280AH
Rated Energy(KWH)	10.496KWH	14.336KWH
Max.Charge/Discharge	100A/100A	150A/150A
Communieation	RS232-PC,RS485-Inverter,Canbus-Inverter	
Cycle Life	≥6000cycles@25°C,80%DOD,60%EOL	
Design Life	≥15Years(25°C)	
Weight(Approx) (KG)	Approx:92kg	Approx:115kg
Dimension (W/D/H)(mm)	610*300*660mm	780*240*610mm
IP Grade	IP21	
Safety(Pack)	CE-EMC,UN38.3,MSDS	
Safety(Cell)	UN38.3,MSDS	
Protection	BMS,Breaker	
Operating Temperature(°C )	Charge:0°C~50°C;Discharge:-20°C~50°C	

### HOME ENERGY STORAGE BATTERY APPLICATION SYSTEM
