## SMOOTH BOTTOM

During the production process, the product will be polished and wiped by hand on the bottom, which can make the bottom of the product smooth so as not to damage your dining table.

## UNIQUE SURFACE

Crafted with the reactive glaze, each plate is unique on the dining table.

## FLOWER RIM

Flower shape dinnerware can bring a sense of fashion to your kitchen.

## CAMELLIA

Inspired by the Camellia in nature, the shape of the petals is perfectly reproduced on the dinnerware, giving the table a special definition.

## DOTS DESIGN

Dots of different sizes are scattered irregularly on the surface of the dinnerware, like Ores scattered in nature.

## COLOR DESIGN

This series crafted the effect of different colors inside and outside, practicality and beauty can display dinnerware well.

## RIM DESIGN

The changeable rims bring a sense of mystery to this series. At the same time, after high-temperature firing, the rim is also chip-resistant.

# SPECKLE-WHITE

Speckle-white has regular shapes can complement any dining environment and work seamlessly with other 28 Ceramics products.

CERAMICS

DINE WITH 28 CERAMICS, DINE WITH THE WORLD

## UNIQUE SURFACE

Special design on the surface,  
which is inspired by moon.

## SMOOTH EDGE

We keep the edge smooth to avoid  
hurting people due to unflat edge.

## HARDNESS

The burning temperature of tableware  
is high, high density, high hardness,  
the sound is crisp when it is struck.

# LUNA COLLECTION

Inspired by moon, Luna Collection stands out from the rest with its unique design on surface, it shows us the mysterious and astounding atmosphere.

## CONCAVO-CONVEX SURFACE

Frosted surface, hammer design,  
different from the ordinary smooth  
design, our tableware is more elegant  
and unique.

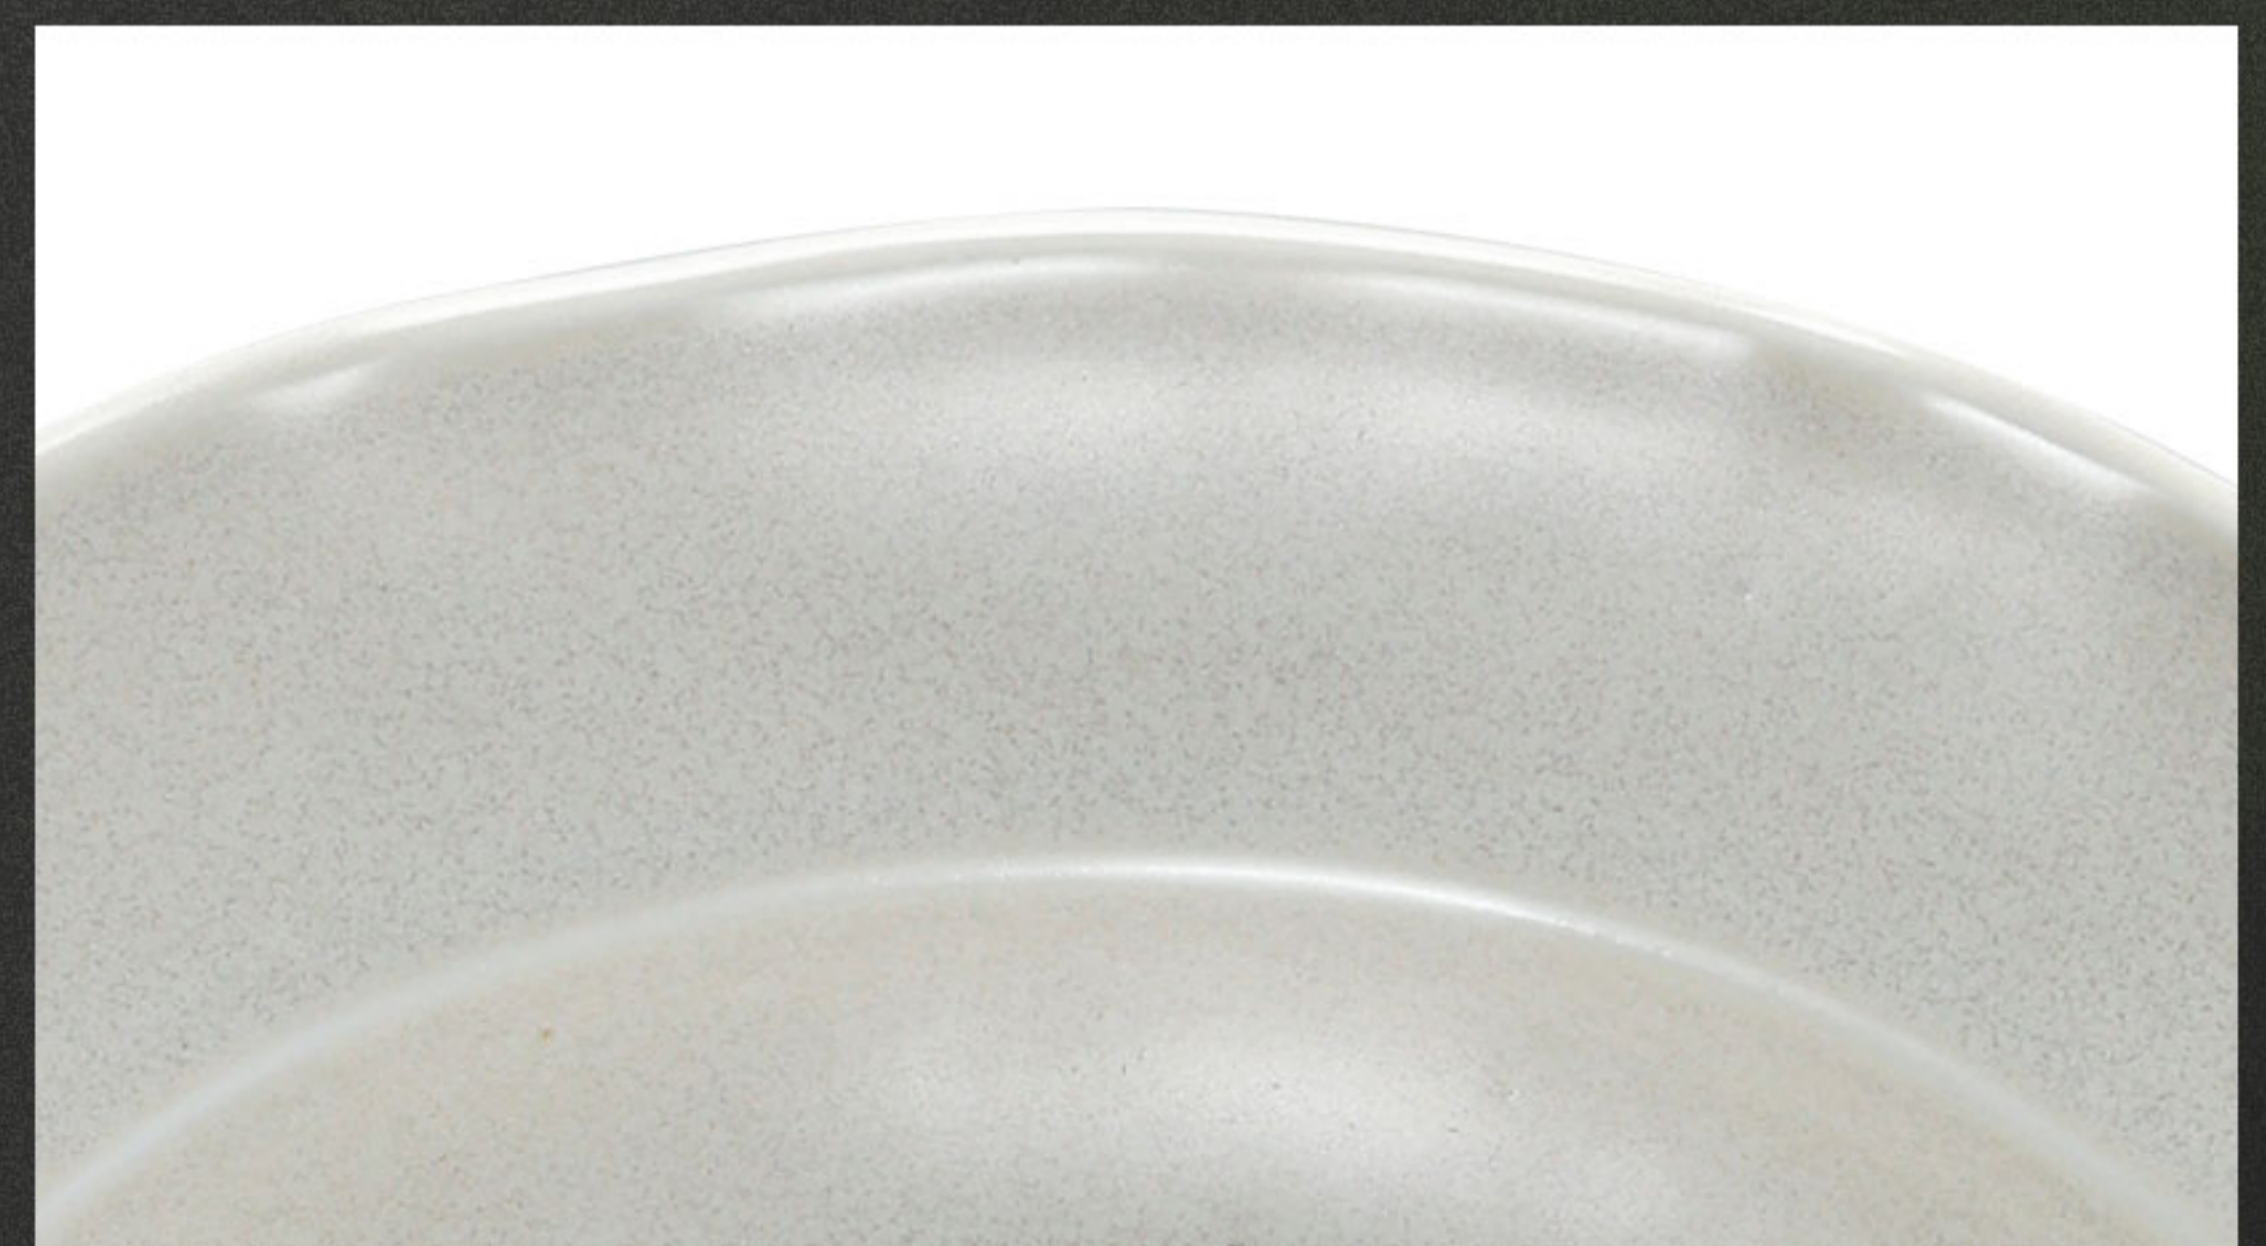

## LAYERING

The line of the mouth of the cup makes  
the cup more hierarchical and more  
advanced.

## IRREGULAR LACE

Irregular lace makes the tableware  
more delicate and leisurely, as if jumping  
elves enjoy afternoon tea in the forest,  
the food will become more delicious.

## JASMINE

This collection is derived from the fragrant white jasmine, not planned lace, with undulating surfaces, all like the shape of jasmine blossom. Let's live a happy and leisurely life in nature like Jasmine.
