Beer Classics

The conical design of this glass maintains the head, while the narrow shape enhances the aroma and taste. Customers will appreciate the difference as you use the proper glass to serve them a cool, refreshing beer. Crystal-clear clarity and a slender appearance enhance your presentation to show off a beer's color and carbonation. This glass also offers everlasting brilliance, improved breakage resistance, and astonishing lightness for a superior presentation.

- Crystal clear construction showcases craft beers
- Exquisite Platinum Glass construction
- Resists scratching, markings, and loss of brilliance or change in color
- Crystal-clear clarity enhances presentation

Champagne Glass

A Champagne glass is stemware designed for champagne and other sparkling wines. The two most common forms are the flute and coupe, both stemmed; holding the glass by the stem prevents warming the drink.

- Thick glass construction with exceptional clarity
- Made to withstand daily commercial use
- Easy to grasp
- Wide bowl for easy sipping
- Perfect for drinks or appetizer presentations
