"Where Heritage Meets Horizon"

At HOSEN TWO EIGHT, we believe ceramic tableware is more than utility—it is a language of culture, crafted to connect the world.

Our Pillars:

Dual Excellence: "TWO" signifies our dual DNA—time-honored craftsmanship and pioneering technology. From kilns fired by ancestral wisdom to AI-driven precision, we bridge eras to elevate every detail.

Infinite Aspiration: "EIGHT" embodies our endless pursuit—perfection in form, function, and cultural resonance. Like the infinite loop of the number 8, we strive to create tableware that transcends borders and generations.

Mission:

Employees grow, customers benefit, giving back to society and make our country strong

Vision:

Create China's No.1 Ceramic Tableware Brand

"Dine with TWO EIGHT, Dine with the World" is not a slogan—it is our promise:

To turn tables into stages, and meals into memories.

TWO EIGHT

Inheritance

“From Clay to Culture: A Legacy Forged in Fire”

Since 1998, HOSEN TWO EIGHT has stood at the crossroads of tradition and innovation. Rooted in Chaozhou—a cradle of Chinese ceramic artistry—we honor centuries-old techniques while pioneering modern craftsmanship.

The Kilns That Built Us:
Our four traditional kilns, ignited in the founding era, still breathe life into each dinnerware, their flames echoing the wisdom of Chaozhou’s master potters. Today, they stand alongside tunnel kilns and robotic arms, a testament to our pledge: “Preserve heritage, perfect precision.”

Two Decades, One Mission:

1998: A humble workshop born from a vision to redefine ceramic excellence.
2005: First Middle East partnership, bridging Eastern artistry with global hospitality.
2023: 60,000m² of innovation, where hand-carved motifs meet AI-driven quality control.

Why “TWO EIGHT”?

The name embodies our dual ethos:
“TWO”—the harmony of tradition (handcrafted soul) and technology (cutting-edge scale);
“EIGHT”—a symbol of infinity in Chinese culture, reflecting our endless pursuit of perfection.

Artisan Blue — Nature's Dining Canvas.

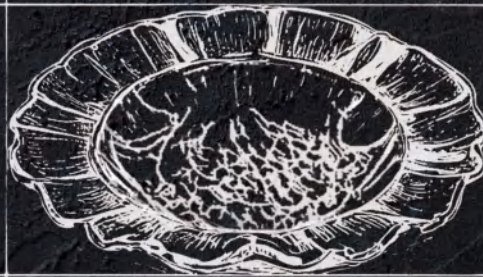

Artisan Blue — Nature's Dining Canvas.

The Ocean collection showcases masterful kiln-transmutation, featuring a classic deep sapphire blue. Unique forms — gourd shapes, blossoms, sleek boats, and etc. — bring natural vitality to the table. At the center, translucent glaze reveals ice-crystal patterns like ginkgo leaves, intertwined with textures of tree roots, stones, and sand.

With over 100 shapes blending rich and subtle tones, Ocean captures a sense of depth and nature's quiet power. Designed to harmonize with hotel lighting and a wide variety of culinary presentations, it creates a richly layered dining experience.

Icy Peaks --- Crafted Harmony.

The Glacier collection showcases exceptional kiln-transmutation and crystalline glaze craftsmanship. The icy blue tips, adorned with delicate ice flowers, capture the purity of frozen peaks. The deep blue glaze flows downward like the rugged base of a mountain, while golden blossoms, created by the crystalline glaze, shimmer like golden sunlight spilling over a snow-capped summit.

Symbolizing the balance of nature's cycles, this collection reflects the quiet harmony of contrasts — where one element gives way, and another rises, evoking a sense of growth and transformation.

MAILLARD .
Bold Hues — Timeless Craft.

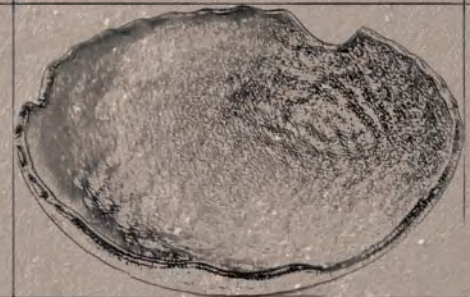

Bold Hues — Timeless Craft.

The Eclipse collection embodies the radiant essence of autumn, achieved through meticulous kiln craftsmanship that transforms ceramic surfaces into warm, leaf-inspired hues. Featuring organic silhouettes — gourds, blossoms, leaves, and beyond — each piece exudes a sculptural elegance rooted in nature's artistry. Beneath a luminous translucent glaze, delicate ice-crystal motifs bloom like ginkgo leaves, harmonizing with tactile embossed textures reminiscent of tree roots, stones, and windswept sands.

Inspired by golden autumnal mountains embracing a crystal-clear lake adorned with frost-kissed petals, the Eclipse series offers over 100 forms in layered tonal gradations. This interplay of color and form crafts a dining tableau that balances vibrancy with tranquility, inviting guests to savor a landscape of serene beauty at every meal.

 TWO EIGHT®

ECLIPSE .
Autumn's Glow — Crafted Harmony.

Autumn's Glow --- Crafted Harmony.

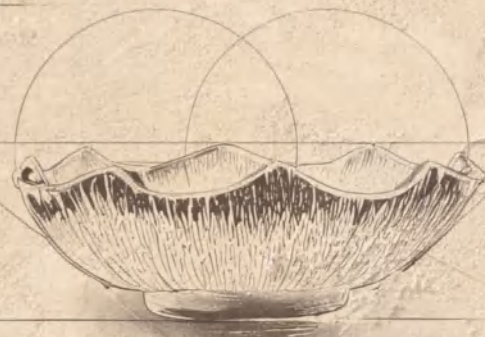

The Eclipse collection embodies the radiant essence of autumn, achieved through meticulous kiln craftsmanship that transforms ceramic surfaces into warm, leaf-inspired hues. Featuring organic silhouettes — gourds, blossoms, leaves, and beyond — each piece exudes a sculptural elegance rooted in nature's artistry. Beneath a luminous translucent glaze, delicate ice-crystal motifs bloom like ginkgo leaves, harmonizing with tactile embossed textures reminiscent of tree roots, stones, and windswept sands.

Inspired by golden autumnal mountains embracing a crystal-clear lake adorned with frost-kissed petals, the Eclipse series offers over 100 forms in layered tonal gradations. This interplay of color and form crafts a dining tableau that balances vibrancy with tranquility, inviting guests to savor a landscape of serene beauty at every meal.

FROST .
Frost's Crystal Nature's Craft.

Frost's Crystal — Nature's Craft.

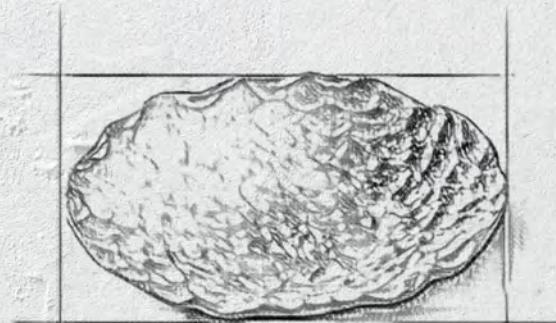

The Frost collection captures nature's purity with crystal ice blossoms and celestial textures.

Delicate green glazes shimmer like frozen jade, while the outer rims of some pieces feature cratered patterns, echoing meteor showers. Other designs include lotus leaf veins, geometric radiating lines, and graceful curves, transforming each piece into a unique work of art.

Fired at 1300°C, this durable porcelain meets the demands of fine dining and hotel use, offering both beauty and practicality in every piece.

Golden Ginkgo --- Crafted Elegance.

Soft as golden marble, Ginkgo carries the flowing marks of nature. Under the kiln's fierce heat, crystalline glazes bloom like ginkgo leaves across every piece, serene and luminous.

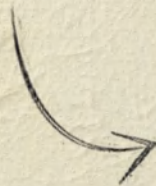

Crafted from high-temperature porcelain, durable and refined. With over 170 shapes, it graces Western, Chinese, and Japanese cuisine alike. The neutral tones quietly highlight the artistry of every dish, never stealing the spotlight.

Earth's Imperfect Poetry

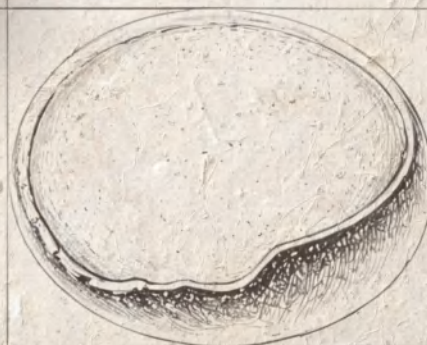

Like a stone shaped by the hand of nature, Land carries the marks of time. Random speckles, uneven pores, and textures carved by the elements — these are nature's whispers, where imperfections reveal true beauty.

The rough, tactile surface connects you to the earth, grounding both body and mind. It reminds us that beauty resides in the raw, the unrefined, and the unfinished.

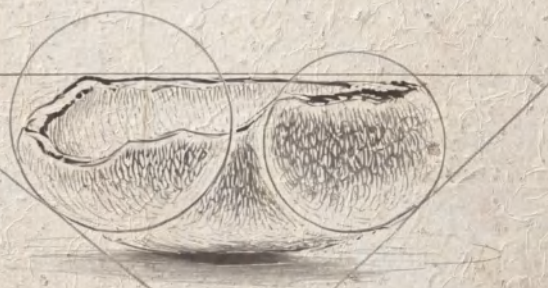

In its simplicity, Land speaks the language of wabi-sabi — the fleeting beauty of nature, where every mark holds meaning.

CARAMEL .
A Warm Embrace for the Table.

A Warm Embrace for the Table.

The Caramel Collection reinterprets the gentle rhythm of nature through delicate, scale-like cloud patterns. Each piece is finished with a rich, sun-kissed glaze that evokes warmth and abundance.

Crafted from premium porcelain, the series balances this inviting aesthetic with the durability required for daily use and special occasions alike. More than tableware, Caramel is an ambiance—its soft, earthy tones and tactile textures create a welcoming canvas for shared meals.

Designed to celebrate the art of gathering, it turns every dining moment into a visually soothing and inherently warm experience.
