

Fiber Tools Kit

Product Drawing

Product Description

Fiber Tools Kit is a comprehensive toolbox designed specifically for the installation, maintenance, and troubleshooting of fiber optic networks. It integrates a range of professional tools required in the fiber optic industry, aimed at improving work efficiency, ensuring high-quality and long-term stability of fiber optic connections.

Product features

- Multiple tools are integrated to meet the full process requirements of fiber optic from pre-processing to testing.
- All tools are made of high-quality materials to ensure durability and precision.

Application

Data center construction, communication base station maintenance, FTTH.

Technical Specifications

Product Parameters

Project	Technical indicators
Product name	Fiber Tools Kit
Product Components	
1	Optical power meter
2	visual Fault Locator
3	Fiber Cleaver
4	Drop Cable Stripper
5	Fiber Optic Stripper
6	Lanyard
7	Fiber cleaver Bag
8	Writing skill
9	Ceramic core
10	sc adapter、FC adapter
11	Length fixer
12	Dust free paper

13	Alcohol bottle
14	Cutter Wrench
