Good reviews from customers

Our customer's witness the good quality products and good service from Suprabeauty. You can see the reviews from our customer as below.

TECHNICAL TEAM

Main staffs of our production team have been engaged on makeup brushes' production over 10years, we also introduce advanced brush producing techniques from Korea. Experience makes the difference- we strictly control every step of the production process from picking hairs, measure the weight and specifications, shaping hairs, assembling, and carding hairs. You can see the super quality of our makeup brushes when you visit us.

Under the led of our boss, we seized the market share in over 20 countries, mainly in USA, UK, Korea, Russia. Because of our good quality makeup brush and fantastic service, we survived under the financial crisis in 2008, and won good reputation from our customers.

Series products of beauty accessories, quality guarantee, short production lead time, fantastic communication and service of our team makes our win-win cooperation. Please don't hesitate to contact with us to have more information.
