# BASINS COLLECTION

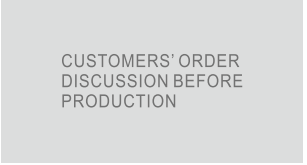

KINGKONREE (KKR) IS ONE OF THE LEADING MANUFACTURERS OF ARTIFICIAL STONE IN CHINA.

As one of the leading manufacturers of solid surface sheet and sanitary ware in China, KKR aims at manufacturing high-quality products and providing good service to all of our customers.

Over the last decades, Kingkonree has worked directly with leading interior designers, architects, hotel owners, developers and purchasing companies to create solid surface products that distinguish their hospitality & commercial projects and push the boundaries of contemporary design. Having completed hundreds of solid surface projects and with in-house production facilities located in Huizhou, factory covering an area of 19,000 sqm and 200 employees.

A significant portion of KKR continuing growth is attributed to recommendations from satisfied clients and professional partners. KKR provides for unencumbered communication at every stage of development, prototyping and production.

With sincerity, Kingkonree welcome your visiting.
