Installation Demonstration

Step 1: Assemble the profile aluminum bracket.

Step 2: Make the required size bracket one by one and the mount on wall with screw.

Step 3: Put the empty cabinet on bracket with the matching screws and holes.

Step 4: Connect the power cable and data cable on modules first.

Then use vacuum tool to put the modules on cabinet. In this process, can adjust the screen flatness

Our Service

- (1) Reply your inquiry in 24 working hours.
- (2) Experienced staffs answer all your query in fluent English.
- (3) Customized design is available, OEM & ODM are welcomed.
- (4) Exclusive and unique solution can be provided to our customer by our well-trained and professional engineers and staffs.
- (5) Special discount and protection of sales area provided to our distributor.
- (6) Warmly welcome your visit in our company if available.
- (7) Warranty: 5 years quality guarantee, after 5 years , only charge for the cost of the repair. During the 5 years warranty time, we will be responsible for any damage happened to the display because of the quality fault, not wrong operation. As soon as we confirm that the damage is not caused by manual operation fault, we will deliver the good parts to you by air within 3 days for replacement. After 5 years , we can also offer you the parts for replacement at our bottom price.

Our Service

(8) Lionled assists with training and technical support for the customer in the factory, if required. You can also send your

engineer to our factory at any time for LED display training. This service is free of charge.

(9) We can send our engineer on site to guide the installation for you. The relevant costs should be paid by your esteemed

company, such as visa, hotel, food, plane ticket back and forth, and a fee of USD 100/day for each engineer.

(10) We cooperate with famous logistics company agents (DHL, FedEx, UPS, TNT, EMS, etc.) .We can get great discount from them and offer you lowest shipment cost. The tracking number and B/L will be sent to you in time after delivery.

(11) Payment terms, we recommend Alibaba Trade Assurance. With Trade Assurance, your trading problems will be solved. If your products are not shipped on time or the product quality does not meet the standards set in your contract, Alibaba.com will refund the covered amount of your payment. Trade Assurance is a free service provided by Alibaba.com and Lionled

FAQ

Q1. How could I buy the products I need if there is no price in the website?

A: You can send your inquiry to us about the products you need, our sales will reply you within 24 hours to help you make the order.

Q2. How long could I get reply of my inquiry?

A: You will get a reply within 24 hours.

Q3. What kind of warranty do you offer?

A: Different product offer different time frame warranty, but all product here we offer 5 year at least warranty.

Q4. How is the after sales service?

A: We have a professional team which is in charge of after-sales service, also a service hot-line dealing with your complains and feedback. We also offer 24-hour online service to help you solving problems.

Q5. What kind of payment methods do you have As a manufacturer?

A: We take T/T , Western union, L/C and Cash as payment terms

Q6. How long will it take to deliver goods?

A: We will start preparing goods when we get your bank receipt. The package will be shipped out in 10-15 working days after we get your payment.

Q7: What kind of packaging you offer?

A: During the packaging process, preventive measures will be taken by us to assure that the goods are in a good condition during storage and delivery.

The products electromagnetic emission have been tested to conform to the applicable FCC Rules and Regulations:

FCC 47 CFR Part 15, Subpart B

The test result has been evaluated by Flux Compliance Service Laboratory and showed in the test report. (Report No. FCS2024072509P)

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
 - (2) This device must accept any interference received, including interference that may cause undesired operation.
- It is understood that each unit marketed is identical to the device as tested, and any changes to the device that could adversely affect the emission characteristics will require retest.

Without the written approval of Flux Compliance Service Laboratory, this certification is not permitted to be reproduced, except in full. It is not permitted to use the test lab's logo.

BST A RELIABLE TESTING FOR TRUST

IC VERIFICATION OF CONFORMITY

BST1712104162001Y-1EC-3

We herewith confirm the following designated product:

Product Name: OUTDOOR LED DISPLAY

Trade Name: 狮子光电

Main Test Model: P3.91

Additional Model: P2.97, P2.5, P2, P2.75, P4, P4.8, P4.81, P5, P5.95, P6, P6.67, P8, P9.5, P9.8, P20

(Product Identification)

has been tested and found in compliance with the requirements of IECES-003 regulation for the evaluation of Class B of electromagnetic compatibility. It is only valid in connection with the test report number: BST1712104162001Y-1EC-3.

This device complies with IECES-003 of the IC-S&E operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received.
