

SH-X60

Blood Pressure Station

Intelligent Recognition

Optional support: face recognition, barcode/QR code, IC/ID card etc.

Data Transfer

Standard: RS232, WiFi;
Optional: Bluetooth, 3G/4G; more than 1 million data store and support USB flash drive export

Intelligent Systems

Android 6.0 smart OS operating system, intelligent guided measurement, accurate and efficient

Health Management

Support automatic members input, health screening, historical query, data statistical

Portable

The casing is made of environmentally friendly ABS material, the machine is small and light, and easy to move

SH-X60 Specifications

Model	SH-X60	
Control System	Intelligent systems	Android 6.0 smart OS operating system
	Languages	English, Spanish, French, Arabic, Italian, Portuguese, Russian, Thai, Malaysian, etc.
Blood Pressure System	Method	Medical-grade arm blood pressure monitor (supports left and right arm)
	Principle	intelligent pressurization technology, oscillometric measurement method
	Range	Blood pressure: 0-299mmHg (0-39.9kpa) Pulse: 40-180 beats/min
	Accuracy	Pressure: $\pm 3\text{MmHg}$ ($\pm 0.4\text{kpa}$) Pulse rate: $\pm 5\%$
	Working environment	Temperature: $5^{\circ}\text{C}\sim 40^{\circ}\text{C}$
	Arm circumference range	About 20cm~34cm
	Emergency stop switch	Press ON/OFF or Quick air release again to immediately end
Expansion	Optional: Blood oxygen, blood sugar, thermometer gun, Alcohol testing, psychology, barcode/QR code, IC/ID card etc.	
Data Output	Wireless	WiFi: Bluetooth (optional); 4G (optional), cloud interface (optional), etc.
	Wired	RS232 serial port (standard)
Data Storage	Can store more than 1 million pieces of measurement data and supports U disk export	
System Compatible	Health system	can be connected with customer software
	Local archives	Self-service membership registration, health screening, historical query, data statistical analysis and management.
Advertising	LCD screen	high-definition LCD 7.0-inch display touch system, intelligent guidance voice animation prompt, multimedia playback.
	Picture	PNG, JPG/JPEG and other common formats
	Video	3GP, MP4, RMVB, RMFLV, MP4, AVI and other common formats
	Slogan	scrolling ad text
Print	date, time, name, gender, high /low blood pressure, heart rate, normal blood pressure and heart rate range, user company name and advertising slogan, custom header and footer;	
Voltage	AC100V-240V (50Hz/60Hz)	
Dimensions	Device dimension: 610*370*330mm/L*W*H	Net weight: 6.4kg
	Package size: 43*67*49cm (10kg);	
Use scenarios	hypertension clinics, community service stations, disease control centers, physical examination centers, hospitals, health huts, health management centers.
