WHITE OAK VENEER PANELS

White Oak veneer, not only the classical color, but also the popular color. Suitable for light colored interior decoration, make people feel more comfortable and warm. Wooden veneer decoration makes people feel like they are in nature.

ROUND PANELS

There are always people who want to do the one that is different, at this time, the most effective way is to fundamentally change the shape of the wall decoration, the flat style does not meet their pursuit, and the arc has become the top product in their eyes.

3-SIDE COVERED PANELS

The pursuit of high-end families, their requirements will be different from the average family. For example, the average family needs to be close to nature, is the need to have natural wood texture on the surface of the product, but the pursuit of high-end families need to be a 360 degree full surrounded, immersed in the jungle feeling.

SOFT SILICON LED STRIP LIGHT

LED lights can make the decorative effect of the room more diversified, coupled with a variety of control methods, can well meet the needs of different home users.
